

East Severna Park League

Parents' Pledge of Conduct

Understanding that parents are the singular most important role models for their children, I agree to:

1. Maintain and display self-control while attending practices, events and meets, in which my child is participating.
2. Give positive encouragement from the sidelines, because it is the best way to support the team and my child's athletic endeavors.
3. Teach my child to play by the rules, respect League Officials and respect others, because that is as important as learning the skills necessary to successfully play a sport.
4. Recognize that the League Representative can best represent the team when dealing with the Referee or League Official.
5. Recognize that the League rules state that spectators cannot interfere with Officials in the performance of their duties and that the League Representative is the only person that can deal with the Referee or League Officials during a meet.

East Severna Park Swim League is about the kids developing a sense of teamwork, sportsmanship and self worth, and I fully support these ideals.
